## Step by Step Guide and Checklist for the

### Online Review Class of Topnotch CAT Reviewers (for June 2023 sched only)

**What you need: (Technical Requirements for the Review) PLEASE READ CAREFULLY AND FOLLOW INSTRUCTIONS.**

#### 1. Functioning Gmail Account

- If you don't have one, please create a Gmail account.
- If you have a Gmail but it's not functioning, then please create a functioning account.
- If you have a functioning Gmail account, then that's good.
- Provide the Gmail Account to Topnotch (or indicate in your registration data). To avoid confusion, use only 1 Gmail account or have a primary Gmail account for submission to Topnotch.
- The Gmail account will be used for all communications and access to resources and online discussions.
- FAQ: I have an e-mail account that is not Gmail, can I just use that?
- FRA: AS PER INSTRUCTIONS, you need a Gmail account in able to join the online class. PLEASE READ all the instructions as to why Gmail account is needed.

#### 2. Desktop or Laptop or Tablet or Mobile Phone, and the required program/apps

- For desktops and laptops, you just need a good web browser, but it is more advisable to use the most recent version of Google Chrome.
  - Other needed tools: Functioning desktop/laptop speakers or headsets/earphones for listening to the recorded video discussions or live online discussions.
  - Other needed tools: Functioning desktop/laptop microphone or headsets/earphones with microphone to join the live online discussions.
- For tablets and mobile phones, you need to have the following apps:
  - Google Drive - This app is needed for the recorded video discussions.
    - This is normally pre-installed in Android Phones. Please check if the app is working (and if you have the updated version, as long as it is working).
    - If you don't have Google Drive in your gadget, please download this app to be able to watch the recorded video discussions.
  - Google Meet (a.k.a Hangouts Meet or Google Hangouts Meet) - This app is needed for you to join the live online discussions.
    - This is a different app from Google Hangouts. Google Hangouts is pre-installed in Android Phones, but Google Hangouts Meet is NOT pre-installed in Android Phones.
    - For tablets and mobile phones, YOU NEED TO DOWNLOAD THIS APP to be able to join the live online discussions.
- Familiarize yourselves on how to use Gmail, Google Drive and Google Meet. Your Gmail account will be used to log in to Google Drive, and for receiving the conference link invite for Google Meet.
- Learn the basics of these tools or apps using the gadget that you will use during the online review classes. (desktop/laptop/tablet/mobile phone)

#### 3. Mobile Data or Internet Connection

- Our recorded video discussions and live online discussions are relatively lighter in terms of data usage or bandwidth demand.
- For recorded video discussions, since you can watch the videos at your own pace, you can also manage your data usage (if on mobile data).
- For live online discussions thru Google Hangouts Meet, this platform has lighter data usage or bandwidth demand compared to other conferencing platforms.
- The stability/consistency of internet connection is the biggest factor for the live online discussions.
- Please take note that the quality of mobile data/internet connection is beyond the control of Topnotch, and therefore should NOT be inquired with us.
